Honorable William H. Webster Director of Central Intelligence Washington, D. C. 20505

Dear Judge Webster:

You and I have shared our mutual concern over the all-too-frequent instances of unauthorized disclosures of classified information.

I read with interest one of the reports put out by your Unauthorized Disclosure Analysis Center covering unauthorized disclosures in June 1987. I would appreciate it if you could make available to me any other reports published by the UDAC. That information is useful to me as background on the extent of this problem.

I understand the sensitivity of those reports and I will return them to the CIA as soon as I have read them.

Thank you for your consideration of this request.
